7	CHAPTER-VI	SC/ST and Gender Budgeting	150-152

## EXECUTIVE SUMMARY

The Outcome Budget of Rural Development Department broadly indicates physical dimensions of the financial outlays reflecting the expected intermediate output. The Outcome Budget is a tool to monitor not just the immediate physical "outputs" that are more readily measurable but also the "outcomes" which are the end objectives.

**The Outcome Budget 2017-18 broadly consists of the following chapters:**

- **Chapter-I:** Brief introduction of the functions, organizational setup, list of major programmes /schemes implemented by the Department, its mandate, goals and policy frame work.
- **Chapter-II:** Tabular format(s)/statements indicating the details of financial outlays, projected physical outputs and projected outcomes for 2016-17 under Plan and Non-Plan.
- **Chapter-III:** The details of reform measures and policy initiatives taken by the Department during the course of the year.
- **Chapter-IV:** Write-up on the past performance of the year 2015-16 and 2016-17.
- **Chapter-V:** Actuals of the year preceding the previous year, Budget Estimates and Revised Estimates of the previous year, Budget Estimates of the Current Financial year.
- **Chapter-VI:** Highlights of the outlays provided for the schemes benefiting Women, ST and SC groups along with the corresponding physical output.

## Monitoring Mechanism of Rural Development department

The establishment of the Millennium Development Goals has significantly reinforced the concerns about non-income poverty. With the paradigm shift in economic development from growth to broadly defined "development," the concept of rural development has begun to be used in a broad sense. The concept now encompasses "concerns that go well beyond improvement in growth, income and output. Connectivity – physical like roads to our people in rural areas is not an administration but a mission.

Road transport is vital for the economic development and social integration of the country. Easy accessibility, flexibility of operations, door-to-door service and reliability have earned road transport an increasingly higher share of both passenger and freight traffic vis-à-vis other transport modes. Transport sector accounts for a share of 6.4 percent in India's Gross Domestic Product (GDP). The Road Transport Sector has grown significantly during the past five decades. Road Transport has deep linkages with the rest of the economy and a strong multiplier effect. Transport is essentially a derived demand depending upon the size and structure of the economy and the demographic profile of the population. Greater the share of commodity-producing sectors like agriculture and manufacturing, higher is the demand for transport. Orissa's surge in growth and expansion in public spending in the past decade has created new possibilities for its social protection system. Social protection strategy must aim at mitigating water poverty in rural areas. The Government is equally committed to the objective of ensuring source and system sustainability. Despite the efforts put forth in the past, there is a growing concern over the widening gap between the expectations of the people and the achievements.

There is an inbuilt monitoring mechanism in the guidelines of each scheme of the Department so as to ensure that the objectives are achieved by their implementation.

The Deptt. have 11 Sections. Two sections namely (1) Budget and (2) PMGSY are headed by a F.A-cum-Addl. Secretary. Six sections like (1) Office Establishment, (2) RW (Establishment), (3) RW (Scheme), (4) RTI/PMU, (5) Legal Cell and (6) DAK Sections are being headed by One Additional Secretary supported by One Joint Secretary, One Law Officer. Three Sections like (1) Bill and Cash, (2) Coordination and (3) Computer Sections are being managed by one Joint Secretary. That apart, there are two Under Secretaries and one AFA-cum-Under Secretary to assist Addl. Secretary and FA-cum-AS in discharging the official duties respectively.

The Department has a huge field formation like 1 EIC and 3 Chief Engineers at Heads of Deptt. level, 15 Superintending Engineers at Circle level, 66 Executive Engineers at Division level, 228 Asst. Executive Engineers at Sub-Division level, 678 AEs/JEs at Section level who are looking after the

functioning of this Department. Besides, there is an Agency named Odisha State Rural Road Agency (OSRRA) chaired by Hon'ble Minister RD, to monitor the PMGSY works. Apart from continuous monitoring through periodical progress reports received from the office of EICs on both the financial and physical progress of the programmes, Commissioner-cum-Secretary monitors the progress of the schemes through Video Conference regularly. The Department also emphasizes on E-Governance. Emphasis is being given on both quality and quantity of physical progress. For effective monitoring of quality of works for non-PMGSY works; Third Party Quality Monitoring System is being established. To monitor the physical progress of each project, provision has been made in WAMIS for uploading the geo-tagged photographs of works. This system will facilitate the high level officers to monitor both the physical as well as financial progress of projects. The Department is also planning to have a Web GIS Asset Management Information System taking all Roads, Bridges/culverts and Buildings installations with the help of C-DAC and ORSAC.

Furnishing of statement of expenditure, Utilization Certificates, Audited Accounts and other requisite reports are submitted for the release of subsequent installments.

The officer dealing with the implementation of the programmes visits regularly the site to ensure that the programmes are being implemented satisfactorily.

Officers visit their assigned districts at regular intervals and the important observations of such teams are shared with the Department advising them to take appropriate corrective measures, wherever shortcomings are noticed.

A Performance Review Committee under the chairmanship of Commissioner-cum-Secretary reviews the performance of various programmes being implemented by the districts and recommends corrective action wherever found necessary.

With a view to fulfilling the objective of ensuring quality in implementation, particularly in the context of large public funds being spent under all the programmes of the Department, the Monitoring Committees are constituted.

Work Plan for DoRD for the Financial Year 2017-18 was prepared with due consultation of all stake holders. The work plan was drawn up taking into account the annual budget provisions and past performance of respective areas of work. The Engineer-in-Chiefs were asked to draw up similar month wise and head of expenditure wise financial and physical plans for all the Divisions to enable field functionaries to appreciate the purpose and benefit of Results Framework Approach. Evaluation has been made basing on the scheme-wise weightage provided to physical targets. It is found that during the financial year 2017-18, the achievement was about 96.08% (excluding the funds which have not

been released by Gol). The RFD for the year 2017-18 is also prepared and submitted to P&C Department.

## **Public Information System**

Information, Education and Communication (IEC) plays a vital role in creating awareness, mobilizing people and making the development participatory through advocacy and by transferring knowledge, skills and techniques to the people. Moreover, IEC plays two most important roles – informative and persuasive and as such is crucial for bringing about requisite social mobilization and facilitating participatory development.

The following strategy that has been adopted by the Department would be continued to ensure maximum benefits out of the programmes of the Department.

## **E-initiatives**

Efficiency of delivery is increasingly becoming the focus of governmental programmes. This is both on account of an explicit recognition of sub-optimal achievements in reaching the targeted beneficiaries in many of the schemes as well as in curbing wasteful expenditure. Realizing this, new tools, particularly application of modern technology are being resorted to in achieving governance and delivery efficiency.

As per section 4 of Right to Information Act, 2005 every public authority shall maintain all its records duly catalogued and indexed in a manner and the form which facilitates the right to information under this Act and ensure that all records that are appropriate to be computerized are, within a reasonable time and subject to availability of resources, computerized and connected through a network all over the country on different systems so that access to such records is facilitated. The Act U/S 4-4 further says that all materials shall be disseminated taking into consideration the cost effectiveness, local language and the most effective method of communication in that local area and the information should be easily accessible, to the extent possible in electronic format with the Central Public Information Officer or State Public Information Officer, as the case may be, available free or at such cost of the medium or the print cost price as may be prescribed.

The e-initiatives of RD department were meant to answer the above need and convert this threat into an opportunity to automate the processes that can be done using latest technology platforms. e-Dispatch, HRMS, iFMS, e-Procurement, LMS, OMMAS, WAMIS, e-Abhiyog and OSWAS were major steps taken. In addition to the above the website of RD Department are maintained and updated regularly. For better interaction with the public in social media, the Department has its own facebook (<https://www.facebook.com/RDOdisha/>) and twitter (<https://twitter.com/RDOdisha>) accounts.

## Road Ahead

Rural Development Department is in charge of construction and maintenance of rural roads, rural Govt. buildings (both residential and non-residential) in the State. We have got plan to connect habitations with population 250 and above in 18 IAP districts and habitations with population 500 & above in plain areas and 250 and above in schedule area for balance 12 Non-IAP districts in phased manner. Till 31.03.2017, 19496 habitations above 250 populations have been provided connectivity under PMGSY. Similarly, the unconnected habitations having less than 250 populations in IAP districts and less than 500 habitations in Non-IAP districts are being tried to be provided with all-weather connectivity through MMSY. During 2016-17, connectivity to 1685 habitations has been provided with all-weather connectivity. During 2017-18, it has been targeted to provide connectivity to 1850 nos. of un-connected habitations.

The screenshot displays a web application interface for a Rural Development Department project. The main content area is titled 'Work Details' and contains the following information:

Office Name:	RURAL WORKS DIVISION, BOUDH
Work Number:	06/03/85/21/05
Work Description:	Constn of S.B. over Budhakhelli Gadagadpada and Gadagadpada nallahs at 55th 56th and 57th KM on Phiringia Gochhapada Balandapada road in the dist. of Boudh.
District:	Boudh
Taluka:	Kantamal
Head:	28/5054/SP/SS/04/789/2161/37114/000
Work Type:	Bridges
Sactioned Cost(in Rs.):	55,740,000.00
Expenditure Till Date (in Rs.):	3,172,539.00 (upto March 2015)

Below the table, there is a photo of a concrete bridge structure under construction. To the right of the photo is a satellite map showing the location of the project. A popup window on the map displays the following details:

Description:	Any Other
Photo Taken Date:	20/03/2015
Latitude:	20.5700192
Longitude:	85.83782307

The interface also shows a sidebar with navigation options like 'SEARCH', 'Depta', 'Sche', 'Work', and 'Filter'. The bottom of the screen displays the Windows taskbar with the date 19/04/2015 and time 10:04.

# CHAPTER-I

## INTRODUCTION

The concept of rural development has changed significantly during the last 3 decades. Until the 1970s, rural development was synonymous with agricultural development and, hence, focused on increasing agricultural production. This focus seems to have been driven primarily by the interests of industrialization to extract surpluses from the agriculture sector to reinforce industrialization. Four major factors appear to have influenced the change: increased concerns about the persistent and deepening of rural poverty; changing views on the meaning of the concept of development itself; emergence of a more diversified rural economy in which rural non-farm enterprises play an increasingly important role; and increased recognition of the importance of reducing the non-income dimensions of poverty to achieve sustainable improvements in the socio-economic well-being of the poor.

The establishment of the Millennium Development Goals has significantly reinforced the concerns about non-income poverty. With the paradigm shifts in economic development from growth to broadly defined "development," the concept of rural development has begun to be used in a broader sense. The concept now encompasses "concerns that go well beyond improvements in growth, income, and output. The concerns include an assessment of changes in the quality of life, broadly defined to include improvement in health and nutrition, education, environmentally safe living conditions, and reduction in gender and income inequalities." Today there seems to be a universal consensus that the ultimate objective of rural development is to improve the quality of life of rural people. This makes it essential to go beyond the income-related factors such as prices, production, and productivity to a range of non-income factors that influence quality of life and hence inclusiveness. Inclusive rural development is a more specific concept than the concept of rural development.

Rural upliftment requires strong commitment, patience and perseverance. It is a challenging but interesting task. The Govt. can not by itself provide the required services/comforts without the cooperation of the all stake-holders. Physical connectivity like construction of roads and bridges to our rural population is indeed a mission and not a mere administrative function. With this concept, R.D. Department was created on 1<sup>st</sup> July, 1990 to look after the sectors like construction of rural roads, construction of buildings to enhance the quality of life of rural population of the State.

Work Plan for DoRD for the Financial Year 2017-18 is prepared with due consultation of all stake holders. The work plan was drawn up taking into account the annual budget provisions and past

performance in respective areas of work. The Chief Engineers were asked to draw up similar month wise and head-wise financial and physical plans for all the divisions to enable field functionaries to appreciate the purpose and benefit of Results Framework Approach. We propose to continue this in current financial year.

Under Rural Development Department, one organization, i.e. Rural Works Organisation is functioning which is in charge of construction and maintenance of rural roads, bridges and rural buildings.

### Organisational Setup:

The Department have 11 Sections. Two sections namely (1) Budget and (2) PMGSY are headed by one F.A-cum-Addl. Secretary. Nine sections like (1) Office Establishment, (2) RW (Establishment), (3) RW (Scheme), (4) RTI/PMU, (5) Legal Cell, (6) Bill and Cash, (7) Coordination, (8) e-Governance Cell and (9) DAK Sections are being headed by one Additional Secretary supported by one Joint Secretary and one Law Officer. That apart, one Special Secretary of engineering cadre, two Under Secretaries and one AFA-cum-Under Secretary are discharging their duties in smooth functioning of official works in the Department.

The Department has a huge field formation at Heads of Department level like One EIC and 3 Chief Engineers at Heads of Deptt. level, 15 Superintending Engineers at Circle level, 66 Executive

Engineers at Division level, 228 Asst. Executive Engineers at Sub-Division level, 678 AEs/JEs at Section level are looking after the functioning of this Department. Besides, there is an Agency named Odisha State Rural Road Agency (OSRRA) chaired by Hon'ble Minister RD, to monitor the PMGSY works.

Commissioner-cum-Secretary, as the head of the Organisation, administers guides and monitors the entire work of the Department.

## Funding

The activities of the DoRD are supported by financial outlays in the Programme Expenditure and Administrative Expenditure through Budget of the State Govt. Further Govt. of India are providing grants to the extent of 60% under **Pradhan Mantri Gram Sadak Yojana** for construction of all-weather connectivity to all unconnected habitations in rural areas of the State having 500 + population in Non-IAP districts and 250+ population in 18 IAP districts & upto 100+ population in 38 LWE blocks.

The funds under PMGSY were previously released by Govt. of India direct to the implementing agency i.e.OSRRA (Odisha State Rural Road Agency). Since 2014-15, the funds from Govt. of India are being routed through State Budget.

The Scheme-wise provision under Programme Expenditure for 2017-18 is as follows:

(₹ in TRS)

The details are as follows:

## A. Programme Expenditure

### (I) Rural Works

A total outlay of ₹367973.00 lakh has been provided in the year 2017-18 under the roads & bridges sector/buildings sector of Rural Works Organisation for implementation of the schemes as follows:

**(1) Construction of R.D.Deptt. Buildings (Non-Residential) R.W** (₹ 1200.00 lakh)

A sum of ₹1200.00lakh has been provided for the year 2017-18 for construction of office building for different office of Rural Development Department.

**2) R.W Residential Building** (₹ 1300.00 lakh)

A sum of ₹1300.00lakh has been provided for construction of residential building under Rural Development Department for the year 2017-18.

**3) Rural Roads and Bridges (NABARD Assisted Project)** (₹ 5000.00 lakh)

A sum of ₹5000.00 lakh has been provided in the year 2017-18 for construction of bridges & roads under NABARD scheme.

**4) Road Works (PMGSY)** (₹ 230000.00 lakh)

A sum of ₹230000.00 lakh has been provided for construction of roads & bridges under this scheme during 2017-18. Out of this, ₹155900.00 lakh have been allocated as Central Share. Besides this ₹10000.00 lakh has been provided under the scheme "Completion of incomplete roads and bridges under different tranches of RIDF & Other Schemes " as State's Share. towards State Contribution to meet the cost of construction of bridges, tender premium & labour escalation etc.

**5) CWA (Constituency Wise Allotment)** (₹ 2840.00 lakh)

₹20.00 lakh has been provided for each Assembly constituency (except five urban constituencies) in the budget for the year 2017-18 for improvement of Rural Roads.

**6) Completion of incomplete roads & bridges under different** (₹ 15000.00 lakh)

**Tranches of R.I.D.F& Other Schemes.**

A sum of ₹15000.00 lakh has been earmarked for Completion of incomplete roads and bridges under different tranches of RIDF& other schemes during the year 2017-18.This includes ₹10000.00 lakh as State contribution towards PMGSY.

**7) Capacity Building (Resource & Infrastructure Development)** (₹ 1000.00 lakh)

A sum of ₹1000.00 lakh has been provided under Capacity Building for survey expenses,survey equipment, tech. training,consultancy charges-PMU & quality monitoring of important roads, bridges & building projects, DPR preparation, computerisation of offices, WAMIS,GIS, exposure visit inside/outside country etc. during the year 2017-18.

**8) Decretal dues** ( ₹ 40.00 lakh)

A sum of ₹ 40.00 lakh has been provided to defray the expenses towards payment of compensation as per the award of the court during the year 2017-18.

**9) Biju Setu Yojana** ( ₹ 50000.00 lakh)

₹50000.00 lakh has been provided for construction of bridges on rural roads under Biju Setu Yojana during the year 2017-18. The scheme was launched during the year 2011-12 with a view to providing all weather connectivity to the rural areas of the state through construction of new bridges. Government had initially planned to construct 600 bridges and subsequently, additional 263 new bridges were included during 2015-16. Till the end of March, 2017, 500 bridges have been completed. During 2016-17, budget provision of 600 crore was made for construction of 135 bridges against which 108 bridges have been completed by March, 2017.

**10) Improvement of existing RD roads.** ( ₹ 5000.00 lakh)

There is a provision of ₹ 5000.00 lakhs for improvement of existing R.D. roads. during 2017-18.

**11) Biju KBK Yojana.** ( ₹ 4500.00 lakh)

There is a provision of ₹ 4500.00 lakh for construction/improvement of arterial roads in KBK districts during 2017-18.

**12) Mukhya Mantri Sadak Yojana.** ( ₹ 37500.00 lakh)

There is a provision of ₹ 37500.00 lakh for improvement of important RD roads during 2017-18. This programme was launched to provide all weather connectivity to the unconnected habitations having population 499 to 100 in Non- IAP districts and 249 to 100 in IAP districts and all left out unconnected habitations upto 100 population not covered under PMGSY or any other scheme.

**13) Mukhya Mantri Sadak Yojana (EAP)** ( ₹ 2000.00 lakh)

There is a provision of ₹ 2000.00 lakh for improvement of important RD roads during 2017-18.

**14) Development of Rural road connectivity.** ( ₹ 100.00 lakh)

There is a provision of ₹ 100.00 lakh for development of rural road connectivity during 2017-18. This is new scheme introduced during 2014-15 for construction/improvement of rural roads. The modalities of the scheme is being finalized.

## **B. ADMINISTRATIVE EXPENDITURE (EOM)**

### **(I) RURAL WORKS ORGANISATION:**

A total outlay amounting to ₹ 131546.16 lakh has been provided under Administrative Expenditure in Rural Works Organization during 2017-18.

#### **1. Maintenance of Roads and Bridges:**

₹ 50948.23 lakh have been provided for repair, maintenance, improvement /widening of R.D. roads and bridges during 2017-18. Besides this, ₹ 30000.00 lakh has been provided under periodical maintenance for 5 year completed PMGSY roads and ₹ 7000.00 lakh have been provided for Grant-in-Aid to OSRRA.

#### **2. Maintenance of Rural Buildings:**

₹ 26059.64 lakh has been proposed during 2017-18 for maintenance of residential and non-residential buildings including ₹ 2100.00 lakh for maintenance of 20 years old, ₹ 1400.00 lakh for 30 years old and ₹ 50.00 lakh for maintenance of 50 years old High School Buildings borne in the books of R.D. Department.

## CHAPTER-II

### Outcome Budget for 2017-18

The exercise is primarily meant for converting financial outlays into measurable and monitorable outcome. It is a performance measurement tool that helps in better service delivery, decision making, evaluating programme performance and results and improving programme effectiveness.

The Outcome Budget is also aimed at changing the outlook of the agencies entrusted with the responsibility of programme execution and implementation. The idea is to make the programme implementing agencies more result oriented by shifting the focus from "Outlays" to "Outcomes".

It is a performance measurement tool that helps in better service delivery, decision-making, evaluating programme performance and results, communicating programme goals and improving program effectiveness.

The scheme-wise details, wherever necessary of the Outcome Budget for 2017-18 are indicated in the attached statement.

## OUTCOME BUDGET,2017-18

TABLE-1

(PROGRAMME EXPENDITURE)

(₹ In TRS)

Sl. No.	Name of the Schemes / Programme	Objective	Outlay for 2017-18	Quantifiable / Deliverable Physical Outputs	Project Outcome	Process / Timelines	Remarks / Risk factors
1	2	3	4	5	6	7	8
1	Construction of Non- Residential and Residential buildings of R.D. Department	Construction of new and ongoing office building and residential buildings of Rural R.D. Department	250000	305 Res. Buildings & 237 Non-Res. Buildings.	Better working condition and living condition for the officials working in Rural Works Organizations.	12 months	Availability of Land, Non response tenders
2	Capacity Building (Resources & Infrastructure Development)	Survey Expenses, Survey Equipment, Tech. Training, Consultancy charges-PMU & Quality Monitoring important roads, bridges & building projects, DPR preparation, Computerisation of offices, WAMIS,GIS exposure visit inside/ outside country etc.	100000	Not quantifiable	Survey and investigation & conducting technical seminars, workshops, procurement of modern survey equipments for capacity building	12 months	---
3	Minimum Needs Programme- Constituency- Wise allocation (CWA)	All-weather roads to rural habitations in 142 constituencies of the State.	284000	Rural roads in 142 Assembly Constituency in the State	Improve critical roads in the rural area for better connectivity to the rural habitations	12 months Implemented through Chief Engineer RW-I and field functionaries.	The proposals are furnished by Hon'ble MLAs,
4	Construction of Bridges under Biju Setu Yojana	Construction of bridges on rural roads	5000000	Completion of 150 bridges	To improve rural connectivity	Through tender 9 months to 30 months	Land acquisition, difficult site in some cases.
5	Improvement of existing R.D roads	To improve rural connectivity	500000	Completion of 20 nos of RD roads	Improving riding quality of roads	12 months	---

6	Completion of incomplete roads & bridges under different tranches of RIDF & other schemes	Completion of incomplete roads & bridges	500000	50 km. roads & 15 nos. of roads	To improve rural connectivity		
7	Rural Infrastructure Development Fund	To improve road infrastructure	500000	Completion of 7 bridges & 22 roads	To improve rural connectivity	11 months to 30 months	Limited no. of Bridge contractors in the State.
8	1-Road Work - PMGSY 2.Completion of incomplete roads & bridges	Construction of PMGSY Roads & Bridges, State share for constn of bridges, Tender Premium, Labour Escalation etc.	(1)23000000 (2)1000000	Construction of 7000 kms of roads.	To provide rural connectivity by way of all-weather road	---	Large number of non-response tender
9	Payment of decretal dues	To clear the liability of contractors as per Court disposal	4000	Not quantifiable	---	---	---
10	Biju KBK Yojana	Impvt of rural roads in KBK districts	450000	Completion of 18 nos. roads	Improving riding quality of roads	12 months	Improvement of arterial roads
11	Mukhya Mantri Sadak Yojana	Impvt of rural roads	3750000	To complete 800 Km of ongoing road construction	Providing connectivity to unconnected habitations upto population of 100 & above (which are not covered under other schemes)	---	
12	Mukhya Mantri Sadak Yojana (EAP)	Impvt of rural roads	200000	DPR to be received & Finalised			DPR under process & New scheme introduced & the modalities of the scheme are being finalized
13	Development of rural road connectivity	Development of rural roads	10000	---	---	---	New scheme introduced & the modalities of the scheme are being finalized.
14	SCA (KBK)	Impvt of rural roads	1249300	Completion of 30 nos. roads		---	---

## **PRADHAN MANTRI GRAM SADAK YOJANA (PMGSY)**

PMGSY programme, a Gol sponsored scheme aims at providing all-weather connectivity to all unconnected habitations in rural areas of the State upto population 500 and above for 12 Non-IAP districts and 250 and above in 18 IAP districts and population 100 and above in 38 blocks of IAP districts. From 2000-01 to 2014-15, cent percent funding was made by Gol. This funding pattern has been changed with 60% as Central Share & 40% as State Share from 2015-16.

Gol has so far sanctioned projects worth ₹23058.64 Cr. for construction of 14042 nos. of roads with a length of 55256.99 Km. in different phases with construction of 445 missing link bridges on PMGSY roads for providing connectivity to 19496 habitations. Funds of ₹17472.29 Cr. (MoRD, Gol - ₹14926.62 Cr. & State - ₹2545.67 Cr.) has been received and ₹16810.00 Cr. has been utilised for completion of 40062 Km. (10578 no.) of roads including 188 missing link bridges for providing connectivity to 14447 habitations till end of March'2017.

During the year 2016-17, it was programmed to utilize ₹2750 Cr. for completion of 6200 Km. roads. Till end of March'17, funds of ₹2505.68 Cr. was received (MoRD, Gol – ₹1616.25 Cr. and State ₹889.43 Cr.) and out of such amount ₹1898 Cr. was utilized by completing 5797 Km. of roads for providing connectivity to 1685 no. of habitations.

During the year 2017-18, programme has been made to utilize ₹2598.33 Cr. for construction of roads of 7000 Km. for providing connectivity to 1850 no. of unconnected habitations. Out of ₹2598.33 Cr., MoRD, Gol will provide ₹1559.00 Cr. and balance ₹1039.33 Cr. will be received from the State as matching share.

917	Bridge over river Prachi on Ramachandrapur Chitalpur road	Khurdha	1

918	Bridge over Daya Canal on Nandankanan to Kendupatna via Padasahi road at 1/300 Km	Khurdha	1
919	Bridge over river Kansari at 1 <sup>st</sup> Km of N.H.5 (Bankiapalli) to Lambodarpur road	Khurdha	1
920	Bridge over river Hada on PWD road to Asanapali	Khurdha	1
921	Bridge over river Kusumi (Mahujharanallah) at 1 <sup>st</sup> Km on Singarama to Panasapur.	Khurdha	1
922	H.L. bridge over river Kuakhai on Jhinkiridihi to Pratapnagar road.	Khurdha	35000
923	H.L. bridge over Gangua nallah on Bikipur to Kuha road.	Khurdha	12000
924	H.L. bridge over Prachi on Bhanara to Kudapatna road.	Khurdha	8000
925	H.L. bridge over river Malaguni on Nirakarpur to Talapada road	Khurdha	22000
926	H.L. bridge over Local nallah on Retang Railway station on Panchupalli village road	Khurdha	4000
927	H.L. bridge over river Hadanala from Bankoi to Binodpada via Kanteilo of Bolagarh Block.	Khurdha	5000
928	Bridge over Chatura nallah at 3 <sup>rd</sup> km. on Baghamari-Atri road.	Khurdha	1
929	Bridge over Dhanua on Madhuban-Darada road	Khurdha	4000
930	Bridge over Mahujhara nallah (Kusumi nallah) on N.H.5 to Pariorada Via Orada road	Khurdha	1
931	Bridge over river Gangua Nallah on N.H.203 to Mohavirnagar road	Khurdha	186
932	HL bridge over Kochilakhala nallah at 4 <sup>th</sup> km on Gadamanitir – Chhitam Kurum road	Khurdha	1500
933	HL bridge over Kalajhari nallah (Pandara Fuka) at 4.04 km on Daya west Branch canal – Padasahi Chhak to Bhotapada Road	Khurdha	1500
934	HL bridge over river Gangua on Daya river embankment –Tikarapada-Panchagaon R.D. road	Khurdha	1500
935	HL bridge over Dhanua nallah at Achutpur Escape channel on Bhargavi left Embankment	Khurdha	1500
936	HL bridge over Baunsa nallah at 0.700 km on P.W.D road (Mangalajodi) to Tarimi road	Khurdha	1500
937	Bridge over river Kolab on Murtahandi-Ghodaghat-Gupteswar road	Koraput	5000
938	Bridge over Raju Shankar Nallah at 2 <sup>nd</sup> km on Pukali Sambai Road	Koraput	1
939	Bridge over Local Nallah on Mattamput P.W.D. Road to Udapada Road. (2 x 30.63mtr.)	Koraput	18000
940	Bridge over Sobhaput nallah on Hataguda-Pantalung road	Koraput	63863
941	H.L. bridge over river Turi on Bhatrasiuni – Bhatrasirsi road	Nawarangapur	20000

942	H.L. bridge over river Bhaskel at 2 <sup>nd</sup> Km on Badagumuda to Kottagam road	Nawarangapur	45000
943	Bridge over Bangiri Nallah on Nanda Dahana via Ekamba road	Nawarangapur	2500
944	Bridge over Gunighat nallah at 1 <sup>st</sup> Km on Kongara-Timanpur road	Nawarangapur	500
945	H.L. Bridge over river Kusumi on Mardarajpur-Bodasa Road	Nayagarh	15000
946	Bridge over kusumi nallah on Itamati-Balikudia Road	Nayagarh	12000
947	Bridge over river Kusumi on Angisingi-Dhusuma Road	Nayagarh	10000
948	Bridge over river Kusumi on Khandapada-Banamalipur road	Nayagarh	20000
949	Bridge over Nagajhar nallah on 4 <sup>th</sup> Km of Godipada Kakalaipalli road	Nayagarh	13000
950	H.L. bridge over river Duanto on Sanagorada to Bhaliadihi via. Bilagorada road	Nayagarh	12000
951	H.L. bridge over river Sulia on Udayapur Pallisasana road	Nayagarh	8000
952	H.L. bridge over river Kusumi at 1 <sup>st</sup> km on Pantikhari – Barapurikia road	Nayagarh	10000
953	H.L. Bridge over river Duanto on Panchrida-Rohibanka-Banthapur Road	Nayagarh	1
954	H.L. Bridge over local Nallah on Sulia-Kantilo Road	Nayagarh	1
955	H.L. Bridge over river Malaguni on Natim-Mayurjhalia Road	Nayagarh	1
956	Bridge over river Kusumi on Bhadikila-Ostia Road	Nayagarh	2000
957	Bridge over Lunijhar nallah on Itamati-Khedapada road.	Nayagarh	1
958	Bridge over Kusumi on Magarbandha-Gunduribadi road	Nayagarh	500
959	HL bridge over river Kuanria at 0.600km on Giridipalli – Mangarajpur road	Nayagarh	1500
960	HL bridge over river Lunijhara on Khedabarana – Saluni road	Nayagarh	1500
961	HL Bridge over Hada nallah at 1 <sup>st</sup> km on Katakpada – Chuda road	Nayagarh	1500
962	Bridge over Brutanga river on Banigochha to Dasanipada Road	Nayagarh	2000
963	Bridge over Dahuka on PWD road to Gateri road.	Nayagarh	1
964	HL bridge over river Sunder at 1 <sup>st</sup> Km on Gordhuapadar to Birighat road	Nuapada	501
965	H.L. bridge over River Udanti on Kopia to Hatibandha road	Nuapada	35000
966	H.L. Bridge over River Sananadi at 2 <sup>nd</sup> Km near Baghiharan on Tukla Plasakhanda Road	Nuapada	7000

967	S.B. over Local (Dhobenjore) Nallah at 2 Km on Sindursil-Talakot Road	Nuapada	100
968	S.B. over Kusumtala Nallah at 1 <sup>st</sup> Km Budhikomna-Dhumabhata Road	Nuapada	1
969	Bridge over river Sunder on Kutribahal-Kumutimunda road	Nuapada	1
970	HL bridge over river Jonk at 2 <sup>nd</sup> km on Khutamanbhera to Torra Road	Nuapada	1000
971	Box Cell Bridge on Nuapada-Kuliabandha Road	Nuapada	1
972	H.L. bridge over Jonk at 1 <sup>st</sup> Km Bhalwsar to C.G. Boarder (REWA) road	Nuapada	25000
973	S.B over Kadua Branch Canel on Sukapokhari Santrash Via Kajalapatia road	Puri	1
974	H.L. Bridge over River Devi at 0.00 Km on Talada – Dihakarada road	Puri	40000
975	H.L. bridge over river Kushabhadra on Dalanai Balikapileswar road	Puri	35000
976	Bridge over Dhanua nallah on Bamanal-Balanga via-Baku road.	Puri	1
977	H.L. Bridge over River Kadua on Palabasta Tellkud road under Biju Setu Yojana	Puri	7000
978	H.L. Bridge over River Prachi on Somanathpur Tavagorada road under Biju Setu Yojana.	Puri	10000
979	H.L. Bridge over River Dhanua at 0/350 KM on Dekhanta-Dihasahi-Ankushpur road .	Puri	1500
980	Box Cell Bridge over Local Drainagecut at 1/00 Km. on Dandamakundapur Delanghat road	Puri	1
981	Bridge over Dhanua on Sanapalli Podapada Road	Puri	25000
982	Bridge over Ratnachira on N.H 203 to Biraramachandrapur(Kadua-Banapur) Road	Puri	1
983	Bridge Over river Luna on Dandamakundapur to Delanghat Road	Puri	7000
984	Bridge over river Dhanua on Nalihana- Gaiindol Road	Puri	22000
985	H.L. bridge over local nallah at 1 <sup>st</sup> Km on Maligaon Singhberhampur road	Puri	13000
986	H.L. bridge over local nallah on Brahmanpada Atheisa road	Puri	400
987	H.L. bridge over river Bhargavi on NH-203 TO Kanchi Bridge approach road	Puri	20000
988	H.L. bridge over river Makara on Badakharad- Badal road at 5.7 Km road.	Puri	1
989	H.L. bridge over river Bhargavi at 4 <sup>th</sup> Km. on Biswanathpur- Panibhandar – B.Gadadharpur.	Puri	13000
990	Bridge over Daya on Mandarabasta Trilochanpur road.	Puri	1

991	Bridge over Ratnachira on Siruli Karamala Road	Puri	12000
992	HL Bridge over river Bhargavi at 1 <sup>st</sup> km on Tinikudi to Balikera –Rahadamala road	Puri	15000
993	HL bridge over river Daya at 5 <sup>th</sup> km on Kumudal – Basantpur road to Aragad road of Delanga block	Puri	1500
994	HL Bridge over Mangalanadi at 0.500km on NH-316A – Uppergolasahi road	Puri	1500
995	HL bridge over river Malaguni at 2 <sup>nd</sup> km on N.J. Sadak to Kesharpur road. Of Kanas block	Puri	1500
996	H.L.bridge over river Luna on Nikhil – Gobindpur – Majhipada road	Puri	500
997	H.L.bridge over river Daya on Jagulei padar to Gadishagada road	Puri	500
998	S.Bridge over Murmuri nallah at 7 <sup>th</sup> km on Davla Akhidadar road ( 5 x10.77 Mtr)	Sonepur	1
999	Bridge over Dahukbed nallah on Cherupali Mahada road ( 3x8.77 Mtr)	Sonepur	1
1000	Bridge over river Tel at 4 <sup>th</sup> km. on Hardakhole-Baidyanath road	Sonepur	80000
1001	H.L. bridge over Local Nallah at 1 <sup>st</sup> km on Bandhapali-Jhulpiapali road	Sonepur	1000
1002	HL bridge over river Ong on Julunda to Balpur road	Sonepur	1500
1003	Bridge over Chouki & Panikhai nallah at 9/7 km & 10/200 KM on MDR 39 to Nandanmal road (6x10.77 m)	Sonepur	1000
1004	Bridge over Nibrutijore on Sargaj Jurabandh road(7x10.77 Mtr)	Sonepur	1
1005	H.L. Bridge over river Suktel on Kumunde – Bileisarda road	Sonepur	35000
1006	H.L.bridge over Gurandi nallah on Kainskanda - Kapisira road	Sonepur	500
1007	Bridge over Dalposh Nallah on Jhirpani – Dalposh Road	Sundargarh	4000
1008	Bridge over river Brahmani at 0/500 km on Bonei Jangara Road	Sundargarh	65000
1009	Bridge over Brahmani nallah on Lathikata Timjore road	Sundargarh	60000
1010	H.L. bridge over Lamloi nallah at 2 <sup>nd</sup> km on Lamloi to Luhakhan road	Sundargarh	20000
1011	Bridge over Hutupani Nallah on 8 <sup>th</sup> Km on Rouldega to Tangargaon road.	Sundargarh	21501
1012	H.L.bridge over Bankasal nallah at 0.700km on Mahuldiha – Talabahali road	Sundargarh	500
<b>Sub Total :</b>			<b>3000000</b>
<b>Grand Total :</b>			<b>5000000</b>

**The Work/ Scheme/ Project wise allocation is tentative & may be varied in keeping with the progress of work during the course of the financial year.**

## CHAPTER-III

### Reform Measures and Policy Initiatives

R.D. Department has taken many e-initiatives to monitor and maintain transparency in the works being implemented by the Department. The provisions of basic public services being provided through electronic mode are:

**(i) Department Website and Social Media:**

The information relating to R.D. Department is being uploaded to the State Govt. website i.e. <http://rd.odisha.gov.in/>. The website of the department acts as an index of all activities relating to R.D. Department. Links have been provided to all other e-activities undertaken by this Department. The information on important schemes undertaken by this Department like Pradhan Mantri Gram Sadak Yojana (PMGSY), Mukhya Mantri Sadak Yojana (MMSY), Biju Setu Yojana (BSY) is being updated in the website. The letters dispatched through e-Dispatch by the Department are also being webhosted. The Department has made its presence in Social Media like Facebook (<https://www.facebook.com/RDOdisha/>) and twitter (<https://twitter.com/RDOdisha>) accounts.

**(ii) Online RTI**

The applications being received under Right to Information Act are being updated in the online RTI application "<http://www.rtiodisha.in/Departments/28>", developed by I&PR Department.

**(iii) e-Despatch:**

Starting from the R.D. Department at Secretariat, a webbased integrated platform (<http://odisha.edespatch.in/>) for dispatching and receiving letters is in use up to Division level since 2009. All letters are being despatched through the e-Despatch system and placed in the Department Website for public view for transparency, quick transmission and easy access.

**(iv) Online Monitoring and Management of Accounts System (OMMAS):**

To make it transparent and proper monitoring of both physical and financial progress, of PMGSY work, C-DAC, Govt. of India have developed a web-based software for online monitoring and management namely OMMAS. The URL of OMMAS site is <http://www.pmgys.org/>. By accessing this site, the public can see the details of roads taken up under PMGSY, its executing agency, the cost of the roads, the length of roads and its physical & financial progress.

**(v) Integrated Grievance Redressal System (IGRS):**

An IGRS named as Sanjog Helpline (<http://www.sanjoghelpline.in>) is an IT solution which informs about the grievance of a common man to the right authority in real time via SMS and email. A toll-free number i.e. 155335/18003456770 has been provided for the public to register their complaints. IGRS is activated and operated towards the goal for smooth redressal of public grievances on Rural Water Supply and Sanitation (RWSS) and Pradhan Mantri Gram Sadak Yojana (PMGSY).

**(vi) e-Procurement:**

It is carrying out traditional tendering process in an electronic form (through internet). It connects the procuring organization with the bidders through electronic exchange of tender. It is a management and reform program in the procurement field.

e-Procurement and iOTMS/iFMS is done with a software application that includes features for supplier management and complex auctions. Here in the electronic tendering process both the Govt. and the contractors will be benefited.

**(vii) WAMIS:**

Works and Accounts Management Information System (WAMIS), a web-based application (<http://www.wamis-odisha.gov.in>), is being developed by C-DAC, Pune. It is a Division Automation System integrated with MIS features.

WAMIS has 4 modules such as :

- 1) Accounting Management System (AMS)
- 2) Works and Billing Module (WBM)
- 3) Budget Management System (BMS),
- 4) Integration with iFMS/iOTMS and AG Accounting System.

By using this application, Divisions are generating their Monthly Accounts and submitting these to AG online. Not only R.D. Deptt, but also all engineering departments of the State like Works, Water Resources and H&UD Departments are now using WAMIS. For better monitoring of physical progress of works, provision has been made for uploading geo-tagged photographs of the works through mobile application.

**(viii) PFMS**

Public Finance Management System, a web application for online management information and decision support system for the schemes under Programme Expenditure funded by Government of India has been in use in the Department. The Centrally Sponsored Schemes like PMGSY has been registered in this system.

**(ix) OSWAS**

Odisha Secretariat Workflow Automation System, an e-filing system has been implemented in Rural Development Department since January, 2012. Now all files are being processed through OSWAS, which not only eases the movement of files but also tracking of Daks and files has become much easier. This makes the Department a Less Paper Office.

- **New schemes introduced, if any**

No new scheme has been introduced.

- **Change in internal processes of the Department in relation to administration of the scheme.**

No internal process of the Department in relation to administration of the scheme have been changed.

- **Policy reform, if any**

RD Department is providing potable drinking water to rural habitations by installing PWS projects, Tube Well & Sanitary Wells. After execution of the projects, the same has been transferred to P.R. Department (Gram Panchayats) for maintenance of projects. Now dedicated JEs have been posted in each block for Operation & Maintenance and sanitation work. It has been proposed to go for EPC (Engineering Procurement and Construction) based procurement and slowly go for zero stock & store.

PMGSY programme aims at providing all weather connectivity to all unconnected habitation in the rural areas of the State having more than of equal to 1000 habitations in plain areas and 500 or more in schedule area which has been relaxed by Gol from 500 to 250 habitations for selection of PMGSY road projects in such areas.

- **Internal Audit of PMGSY works**

Works and accounts of PMGSY works are normally audited by A.G. & empanelled Chartered Accountant firms as statutory audit. In order to ensure both accuracy in accounts and efficiency in the operation of financing of State agencies, MoRD in Gol has decided to make internal audit of SRRDAs and PIUs under PMGSY mandatory SRRDA will appoint internal auditors as a management aid to ensure the true and fair record of account. Accordingly, internal audit of PMGSY work in the State is being operationalised by OSRRA with effect from 2012-13 for which a Steering Committee is constituted at Govt. level. Internal audit is to be conducted half yearly basis. The audit report will be uploaded in OMMAS site.

- **Change in the composition of beneficiaries, if any**

Not required.
